

snowmobile triggered avalanche Frog Pond Basin

Butte Area

12/30/2022

Code

AM

Latitude

46.03950

Longitude

-113.79200

Notes

Snowmobile club members texted me that they triggered a 3' deep [slab](#), that ran 100 yds., from connected terrain in Frog Pond Basin. It sounded like a heavily wind loaded slope.

Number of slides

1
